**Information Related to the Upcoming**  
**Horseshoe Bend Bicentennial**

There are many documents and articles related to the historical events surrounding the War of 1812 and the era thereabouts. As you know, the Great Creek War which culminated in the Battle of Horseshoe Bend was directly associated. The following is a timely link to an article currently on the website of Indian Country Today Media Network. You may find this an interesting perspective and different than what the mainstream history books may portray.
